CENTRAL WASHINGTON UNIVERSITY

Your future is Central.

Explore a career in an exciting high-tech field

Attend the weekend ACE Academy

July 30 – August 1, 2004

Central Washington University

Apply now to participate

- \$25 registration fee covers all costs for the entire weekend
- Stay on campus in college residence halls - meals included
- Interact with other young women interested in these careers
- Consult with industry leaders and teachers
- Meet students studying aviation, construction and engineering

Some things you will do at the ACE Academy:

- Design a bridge
- Fly an airplane or flight simulator
- Perform materials-strength testing

CWU is an AA/EEO/Title IX Institution TDD (509) 963-2143
